Dear ,

I hope this letter finds you well. I am reaching out on behalf of the American Legion Boys and Auxiliary Girls State programs to extend a heartfelt invitation for you to serve as a key speaker at our inaugural Alumni Banquet. The event is scheduled for February 4, 2024, at the Delta Colonial Hotel in Helena.

The primary aim of this banquet is to highlight the significant impact of the Boys and Girls State programs on our youth and to engage potential donors. As you may know, these programs offer an exceptional educational experience, nurturing leadership, civic responsibility, and community engagement among high school students. Participants gain invaluable insights into government processes, develop essential leadership skills, and build lasting networks that contribute to their personal and professional growth.

The evening will feature not only a distinguished audience, including Montana Senate and House members and foundation sponsors, but also a silent auction and opportunities for monetary donations. These activities will provide much needed revenue for supporting and sustaining the programs that will positively shape the lives of many young individuals and future leaders.

We would be honored if you could share your personal experiences and reflections on how the Boys and Girls State programs have impacted your life and career. Your insights would offer a compelling testament to the value of these programs and inspire continued support from our attendees.

Please let us know if you are available to join us as a speaker and if there are any specific requirements or details you would need for your participation. We would be delighted to discuss any aspects of the event with you further and work together to ensure a memorable and impactful presentation.

Thank you for considering this invitation. We look forward to the possibility of your participation and the chance to celebrate and promote the outstanding contributions of the Boys and Girls State programs.

Frederick J. Ferrer

Dear [Recipient's Name],

I hope this letter finds you well. I am reaching out to invite [Foundation's Name] to be a distinguished sponsor of a table at our inaugural Alumni Banquet, scheduled for February 4th at the Delta Colonial Hotel in Helena, MT. This event will celebrate the achievements of our American Legion Boys and Auxiliary Girls State programs, which have been instrumental in developing leadership skills and civic responsibility among our state's youth.

The American Legion Boys State and Auxiliary Girls State programs are highly regarded for their impact on young participants. These programs immerse high school students in a comprehensive, hands-on experience of government operations and leadership, allowing them to run mock governments, draft legislation, and engage in meaningful civic activities. The insights and skills they gain through these programs often inspire them to pursue careers in public service and community leadership.

We are offering a unique opportunity for your organization to sponsor a table at the banquet. The cost of each table is \$650, which includes meals for eight people. This includes four local senators and representatives, and four guests of your choice. Sponsoring a table not only supports our programs but also allows you to engage directly with key figures in our state's legislative community.

In addition to covering the cost of the meals, your sponsorship will be a tax-deductible contribution and will play a crucial role in supporting our 2025 program costs. Funds raised through the silent auction and in-kind donations at the banquet will directly benefit the American Legion Boys State and Auxiliary Girls State programs, which will be held from June 8-14, 2025, at Carroll College.

We would be honored to have [Foundation's Name] as a sponsor for this significant event. Please let us know if you are interested in this opportunity or if you require any additional information. Your support would greatly contribute to the success and continuation of these impactful programs.

Thank you for considering our request. We look forward to the opportunity to partner with you in supporting the leaders of tomorrow.

Warm regards,
